Donations are always appreciated!

Each dog will be individually judged by three Russian Toy expert judges: one Russian Toy breeder, one professional handler and one AKC toy judge. Each judge will score the dog based on the criteria listed below. The three totals will be added together and the highest score will be named the Top 20 Winner.

Sit back and enjoy the judging. Be sure to keep your own score and notes! We have an impressive group of dogs for you to enjoy this evening.

What an honor it was to showcase the number one dog and the most winning Russian Toy to date in AKC history! It certainly was a ride of a lifetime and an experience we won't soon forget. Thank you to Carolyn and Karen of Wizbang for sharing such a special boy with not only me, but the fancy!

His career to date includes five Reserve All-Breed Best In Shows and 61 All-Breed Group Placements, 2024/2022 RTCA National Specialty Best of Breed, 2024/2023 RTCA Florida Regional Specialty Best of Breed, 2024 RTCA Wisconsin Regional Best of Breed x2, 2024/2023 Royal Canin Best of Breed, 2023 Westminster Best of Breed (invited), and 2021 Royal Canine Junior Stakes Best of Breed. Cash is currently living out the life of pampered, retired show dog, but has told me that he would like to make special appearances in the coming years!

2024 was Clyde's first full year of showing, and only 9 months of it with Handler Kelsey Jesseph. He maintained the #2 spot in all systems most of the year. 2024 gave us many wonderful moments... an astonishing 95 BOB's and select dog at Westminster are two of the highlights! Clyde also earned his ATT and FDC titles! Clyde is known for his playfulness in the ring, and love's his "job" of showing as much as he loves cuddling at home with his family! Clyde's past accomplishments include being the only Russian Toy in US history to win Best in Show Puppy at just 6 months old!

GCH CH Charkara A Message From The Preacher BCAT

Preacher has exceeded all our expectations. My "retirement" dog has been an unexpected ticket to a "specials" dog, oozing with personality. It's pretty special that his brother is also in the Top Twenty. At this writing, Preacher is now a Bronze Grand Champion with titles in Fast Cat and Temperament (ATT). Preacher's favorite toy-toy: an egg shaped squeaker. His favorite treat: Minnows. His favorite game: a charming blend of pillow and bedding toy hiding antics. His friends: Everyone. Training: is just fun. Next up: agility, scent-work, and what else fits. Since I have been involved in health and genetics with Yorkshire Terriers, I see this incredible companion breed so deserving of that participation. I have not actively bred lately, so I am delighted to have the opportunity to continue to support the process. Preacher will be bred to other evaluated females to collectively address inbreeding, mutations, and to participate in all surveys and research. "Where we go from here, everyone plays a role". Cheers to a most wonderful, loving, engaging, charming, trainable, and up-for-anything companion!

GCHB CH Crossway's This Gurlz Got Dazzle

Dazzle, our inaugural Bred-by Russian Toy, has truly surpassed all our hopes and dreams. She is the apple of Beth's eye, and together they've shared countless unforgettable moments. Dazzle marks Beth's first Bred-by, her debut at a National show, and the first dog she showcased to achieve an AKC Championship. We were thrilled when Beth let Dazzle join me in Orlando, where she made history as the very first Russian Toy to snag Best Of Breed in the Puppy Junior Stakes, followed by Winner's Bitch, Best Of Winners, Best Bred-by, and 1st Award Of Excellence at the 2022 AKC National Championship. The highlight of Dazzle's career so far has been her stunning victory at the 2024 Russian Toy Club Of America Specialty, where she triumphed over a large field of competitors a day before the National. This win marked Dazzle as the very first Best In Specialty Show winner bred right here at Crossway. Although Dazzle's show career has been relatively light, she more than compensates for her limited experience with her dazzling presence!

To top it off, he's currently ranked # 9 in the Grand Champion top 20 and has proudly earned an International ABCA Championship along with a DCat Level Fcat, sprinting at a thrilling 20.25 MPH! She has been showing just over a year and has earned a place in the Top 10, #2 bitch in breed points, and a Bronze Grand Championship. Most importantly she is the best bed bug, loves giving love nibbles, and enjoys snuggling with her main man. I look forward to showing Blush babies in the future.

Uda came to me from Lativa at 4 months old, the moment I met her at the airport she came out of her carrier happily kissing my face and wiggling her little body in excitement. She is always full of enthusiasm and happy to greet everyone she meets. Her show career was very short in only 14 shows she earned a total of 13 Major wins. Obtaining her Grand Championship, Multiple NOHS Group wins, ending the 2024 year in NOHS ranked #18, while also earning a Top 20 placement in the Breed. She also achieved her TKN, and BCAT titles ranking 17th in the Top 20 for Fast Cat. I am so proud of her and cannot thank her breeder enough for entrusting her to me. She is a beautiful example of the breed and I am extremely blessed to be on this journey with her.

Orzo is an extraordinary dog, radiating a rare and gentle friendliness that truly sets him apart from others in his breed. Though he certainly has a playful side, one of his most charming qualities is his tendency to snuggle in your lap while softly holding your finger in his mouth, reminiscent of how humans share a tender moment by holding hands. This delightful behavior exemplifies the joy he brings to everyday life. At just 9 months old, Orzo entered the 2023 Russian Toy Club Of America National with an impressive undefeated record. He earned the titles of Winners Dog, Best Of Winners, and Best Bred-by, securing his AKC Championship. The following day, he faced off against seasoned Champions, many of whom were much older, and impressively earned Select Dog. Orzo truly represents the warm-hearted essence of the Russian Toy breed. He is elegant, refined, and undeniably handsome. We are thrilled about the bright future that lies ahead for this remarkable young dog!

My Russian Toy Bodhi is a small in size but big in personality. He is very intelligent and as any small dog quite mischievous. He is black and tan with large, erect ears, big round eyes, and a compact, muscular body. He has long coarse hair and it takes me longer to groom him then myself. LOL!! He very affectionate and hangs out with me all day working if I am at the computer. I wish he could talk, I am sure we would have awesome debates. I was told by several Judges when they look at him they see in their head the AKC standard of a Russian toy. I won a few owner handler group 1's over the years with similar comments. Last year 2024, he and I won the number ONE 1 OWNER handler

Dimitri came to us from Belarus and on the day the flight nanny arrived at Nashville Airport all the roads were iced over from my location to Nashville. A wonderful friend that lived in Nashville was able to retrieve him and keep him overnight until roads cleared. She fell in love and wants to eventually acquire a Russian Toy. During Dimitri's first cluster he jumped off the captain's chair in the RV trying to reach my lap on the stairs and broke his leg. What a trying night. Lots of help and eventually got home to see ortho specialist. Five months later he was expertly shown by Ellen Perry winning BOW at the Nationals. Within one month he had two Group 3 placements. He then accumulated other Group 3 and 4 placements. He did not show in December as his "brother" Zayats began his show career. Dimitri was number 4 all breed only showing as special from March 2024 through November 2024. He is now at home hoping to have fun making nice babies.

CH Tiny Comrades Texas Two Step @ Tiny Steppes

Once upon a time...Two old timers were at a Dallas dog show. And suddenly across the room (cue dog show chatter), they spotted something out of the ordinary. They exclaimed "What is that?!" And so began the journey that joined BMZ and Tiny Steppes in Texas to breed and show Top 20 dogs like Boots.

Texas has a lot of "sayings" – like "Everything is Bigger and Better in Texas!" and "I wasn't born in Texas, but I got here as soon as I could!" That is our Boots to a "Texas T!". He received his puppy of achievement award with a group win in 4-6 puppy competition. He worked to get his boots under him and earned his championship in limited showings – all owner handled. As a youngster, he is considering FastCat but is currently more concerned about chasing girls to produce the next generation of TOP 20 Russian Toys.

We thank Susan Moore for this wonderful boy. And thank God for faith and the support of many friends along the journey with all our fur babies. They are all Top dogs to us!

From the first day she's been delightful, friendly, and a joy to share our home. Her first Major was a Best Opposite win. I was so proud of her. Due to mobility issues she at times is shown by juniors and cooperates with anyone holding her lead. At home she shares my lunch salad with me preferring the cucumbers and lettuce. Acini is more than a standout in the show ring—she’s a heart-stealer with a personality as lively as her graceful gait. This playful and affectionate Russian Toy, known for her endearing habit of covering her eyes with her paws, has a knack for captivating judges and melting hearts. Whether prancing across the ring with elegance or snuggling into a familiar lap, Acini embodies the breed’s hallmark qualities of liveliness, elegance, and devotion. Acini’s success in AKC Conformation events reflects her spirit and structure. Competing across the country from Texas to Tennessee, she quickly earned her Championship and Grand Championship with handler Carlos Rodriguez and the unwavering support of her owners. Her rise to the Top 20 has been remarkable. Seeing Acini recognized among the Top 20 is the realization of a dream that began with a simple introduction to the Russian Toy breed. What started as curiosity became a passion for their grace, spirit, and quirky charm. Every ribbon and title is cherished, but the true reward is the joy Acini brings and the lasting connections she inspires within the dog show community.
