2023 RTCA TOP 15 NATIONAL OWNER HANDLER SERIES

This award recognizes the Top 10 Russian Toys, and their owner handlers, by the NOHS point system. The purpose for the AKC NOHS is to recognize and showcase the quality of dogs being exhibited by their owner and to compete against their peers. The determination of the awards is based solely on the quality of the entry, and not on the handling ability of the owners. Any owner who belongs or has belonged to a professional handler's organization, distributed rate cards, advertised themselves as available to handle other dogs for compensation, or lives in the same household as the before mentioned, within the last 5 years, is ineligible to compete in the NOHS events or standings.
