Judging Criteria

Each dog will be individually judged by three Russian Toy expert judges: one Russian Toy breeder, one professional handler and one AKC all-breed judge. Each judge will score the dog based on the criteria listed below. The three totals will be added together and the highest score will be named the Top 20 Winner.

Sit back and enjoy the judging. Be sure to keep your own score and notes! We have an impressive group of dogs for you to enjoy this evening.

GCHB CH Wizbang's Carryin' On At Prairie Fire BCAT

Cash started his show career with a bang. He was just barely old enough to show at the 2021 Royal Canin where he went Best in Junior Stakes and Best of Opposite in the Open Show to his half-sister. In his first AKC show, he took two 5 point majors, despite thinking that every b**ch around him was in season! Those that were there will remember his embarrassing screaming in the ring! I would have liked to die. Thank goodness for great judges that found the comedy in his antics. The tough decision to put him away with 12 points toward his championship and let him mature.

Upon bringing him back out, he was taking best of breeds from the classes, over specials to finish his championship in style. The next weekend he went on to take Best of Breed at the 2022 RTCA National and Best of Opposite at the Regional. He has the most group placements of any Russian Toy and secured two coveted invitations to Westminster; one for winning the National and one for being the 2022 #2 dog in the country.

I couldn't be prouder to showcase the most winning Russian Toy to date in AKC history. Thank you to Carolyn and Karen for sharing such a special boy. The ride that he has us on is certainly a once in a lifetime experience!

GCHB CH Dimonde's Happily Ever After CM

GCHB CH Dimonde's Happily Ever After, CM ("Darya") is the daughter of Russianique's Skazka At Dimonde ("Yuri"), acquired from his breeder Jerome Podell, and a female I imported from Russia, Tiyanina Kameli Krista ("Hazel"). Darya is one of three AKC champions from this pair.

I started showing Darya in Open shows when the breed was still in FSS status. I had been told that the RTCA needed more CM titles to move the breed forward in the AKC approval process. I continued to show her in Miscellaneous classes where she was awarded multiple BOB wins, group placements and Bests in Miscellaneous, completing her CM title along the way. When Russian Toys acquired full acceptance by the AKC last year, Darya quickly racked up wins, including several BOB and OHBOB awards. She completed her championship in March.

Darya continued her winning ways becoming not only the third Grand Champion, but also the second RT, and first bitch, to accomplish the GCH Bronze title. Amongst many BOB, BOS and SEL awards Darya also has both regular and OH group placements to her credit.

Darya finished 2022 #4 Breed/#5 All-Breed/#4 NOHS/#3 AKC Grand Championship Standings Russian Toy. She has been invited to the 2022 NOHS Finals, 2023 Westminster KC show and to this Top Twenty. Thank you to all who made this possible.

I plan to retire Darya this year as she is now 6 years old. She is a diva, mooch pooch and all-around clown. I adore her and hope she lives Happily Ever After.

GCH CH Wizbang's Good Golly Ms Molly Prairie Fire CM2 CGC

"Good golly" Ms Molly has certainly taken me on a ride that I never expected. I contacted Carolyn Strunge on a prayer that she might have something available after seeing puppy pictures on her social media page. I had my eye on a black and tan puppy and hoped that puppy wasn't spoken for. Little did I know a few short weeks later, I would be on a plane ride in the middle of COVID to pick up that very black and tan.

Molly has certainly accomplished many things in her short life. She loves to show, and her record includes multiple Best in Open Show, multiple Best in Miscellaneous, was the 3rd American Champion and among the first 10 American Grand Champions, multiple group placings, Best of Breed at the 2021 RTCA National and Best of Opposite at the 2022 RTCA National, Best of Breed at the 2022 RTCA Regional and Best of Opposite at the RTCA Florida Regional. The hardest choice was to semi-retire Molly after the 2022 National and breed her. Many tears were shed over the thought of my special show dog being retired in the middle of the show year. Much to my surprise she still finished out the year in the Top 5 Russian Toys in the country and garnered one of the coveted invitations to the 2023 Westminster. She also knows a whole host of tricks and will woo everyone with her dark eyes and big ears. A true ambassador for the breed.

GCH CH Gingerbred Pow's Karol Volk

Karol Volk was a Big Baby. He was a singleton weighing 8.9 ounces at birth. He was named for his mother and father. His name means “manly wolf”, but he turned out to be more of a lamb. Karol’s motto is “Will work for Food”. A native Minnesotan, he loves to run, jump and roll in snow, and eat it. He has caught three birds in flight, using abilities that help him do well in agility. Bred by Nona Dietrich and Scarlett King, Karol inherited his handsome good looks, natural stride, and stack from his champion parents and grandfathers. Even with a scarcity of Russian toys in the area, Karol finished his CM in the troubled year 2020. Although he feels the commands, “Stay” and “Down”, are against his belief in “Run”, he completed his CGC certification. In his first show after AKC recognition, Karol attained BOB and NOHS Group 2. He won a regular Group 2 title in near 100 degree heat when his handler had her arm in a sling. A lot of travel brought about finishing his Championship, and after a long search for other champions, he finished his Grand Championship. He ranked third in NOHS for 2022 and competed in the finals in Orlando. While in Orlando he competed in shows including the Royal Canin championship and a Russian Toy specialty. He received an Award of Merit in the Specialty and a Select Dog in one of the shows . Now he is one of the TOP 20 Russian Toys.

For me, there is nothing better than a nice pair of shoes to set off an outfit. Manolo, the # 12 Russian Toy, is just that. He is that flash and sass that sets us apart both in and out of the ring. However, life has not always been easy for Manolo. At 6 months of age, he suffered a traumatic brain injury to the brain stem leaving him paralyzed. While the doctors gave me little hope, I held a glimmer of hope that he would regain some semblance of a normal life.

Everyday Manolo gave it a fight. He began to stand independently. Then slowly began to take a few steps, knowing I would always be there to catch him and remind him what a strong boy he was. Each day, Manolo made little improvements that began to bring light to our darkness. After months of physical therapy, neurology appointments, acupuncture and massage, Manolo amazed his medical team and was released with very little residual of the accident.

This dog has inspired me in countless ways. He is my constant reminder of the power of prayer, faith, hard work, and dedication. Today, Manolo enjoys Fast Cat, agility, and he is an avid television watcher. So this weekend, as I step out with my favorite little red shoe at the RTCA inaugural Top 20, I am thankful for all of you who supported him through his hard time. I am thankful for the support you gave me when times were dark. But most of all I am thankful for you, Tiny Comrades High Heelz and High Standardz at BMZ, "Manolo". You have the heart of a CHAMPION.

CH Forevr The Notorious One CM

In June 2018 my 20 year old granddaughter died. I had to be strong for my daughter-in-law and son, walking them through the legal consequences and supporting them without showing emotion for their benefit. I had difficulty processing this and fell into a deep depression.

I had been interested in Russian Toys for years , being a member of the club since its original recognition. As I was perusing Facebook in July, 2018, I came across a posting by Ruth Ann showing puppies she had available and knew this was the time. Within 72 hours my husband was on the road. He knew acquiring Conor was the answer to alleviating the pain.

Conor is my pride and joy and the emotional support I needed to cope with the tragic events of June. He stayed by my side and made his debut at a puppy match in Owensboro, Kentucky in August 2018. The rest is history, and I cannot thank Ruth Ann enough. He won several Best in Open Shows during the AKC transition period and completed the requirements for CH within three months after formal recognition. He now has a daughter that is a Grand Champion and leaving his mark and consistency through two breedings.

However, Conor lives up to his name squabbling with a papillon. During one mishap he lost teeth and injured his leg resulting in the end of his show career prematurely.

Conor is my foundation stud and perfect for me.

GCH CH Show Vista Black Jack at VeeVee CM2

Jack, a Russian Toy dog owned by me and handled by Lisa Goodman, was shown in the American Kennel Club (AKC) Miscellaneous Group for a few years before full AKC acceptance of this lovely toy breed. He represented his breed very well and, as his owner, I was thrilled with the “joie de vivre” and adaptability demonstrated by this special boy. During his time in the Miscellaneous Group, Jack attained 2 Certificates of Merit. Although no AKC Champion points are accumulated while earning these certificates, Jack made huge contributions by bringing awareness of this breed to the public and demonstrating to the AKC that there was value in accepting this breed. Those days will always be a treasured memory for me and a reminder of how much we did for the breed as a whole.

As of January 1, 2022, the Russian Toy gained full AKC acceptance and was placed in the AKC Toy Group. Jack went on to make AKC history as the FIRST EVER “Male Russian Toy Champion” and the FIRST EVER “Best of Opposite Sex” winner at the prestigious Westminster Kennel Club Dog Show. After competing in just a handful of shows, Jack walked away from the ring that summer earning this prestigious placement in the Top 20. Jack leaves the following legacy in AKC: 1st Male Russian Toy Champion; 2 x Certificates of Merit; 15 x Best in Miscellaneous Show; 1 x Best in Open Show; 1 x Group 1 Open Show; 2 x Group 2 Open Show; and 1x Group 4 Open Show. I couldn’t be more proud of this amazing little dog!

GCH CH Naissur Prairie Fire Santa Baby

Naissur Prairie Fire Santa Baby "Pickles" entered the show ring this year piloted by a 9 year old Junior Handler. Together they accomplished great things finishing Pickles Championship, and ending 2022 1 point away from her Grand Championship Title. They took a nice Group 3rd and Owner Handled Group 2nd at the Mile High Kennel Club Toy Specialty this year and Select Bitch out of a lovely group of Russian Toys at the Regional Specialty in Orlando, FL.

This dynamic duo has a bright future ahead of them. We would like to thank our Breeder and Mentor Amy Novak Harsch for this wonderful little girl and introducing us to this special breed.
